MOSCATO

BANDIT MOSCATO | $5 FOR 500 MILLILITERS

Light and crisp, this California dessert wine tastes of orange blossom, honey and dried apricot. Drink it chilled, "but not ice-cold or you'll lose the nuance of the flavor," says Jenssen. And even though it's not bubbly, it's festive enough to use as a toasting wine.

PERFECT PAIRINGS: *"The light fruit aromas accent the richness of cream-based desserts such as lemon meringue pie, crème brûlée, or vanilla ice cream."*
